GRANADA COMMUNITY SERVICES DISTRICT

# AGENDA BOARD OF DIRECTORS REGULAR MEETING AT 7:00 p.m.

# Thursday, August 15, 2024

# NOTICE PERTAINING TO PUBLIC ACCESS TO THE MEETING

The Board of Directors' meeting room is open to the public during open session. To maximize public access to public meetings, the Granada Community Services District staff and board members will generally be participating in person at the board meeting, as well as using videoconference to allow remote participation by members of the public, board members, and staff as necessary. Members of the public may participate via ZOOM online or by telephone using the link below.

GRANADA COMMUNITY SERVICES DISTRICT

# AGENDA MEMORANDUM

To: Board of Directors

From: Hope Atmore, Assistant General Manager

Subject: San Mateo County Resource Conservation District (RCD)

Date: August 15, 2024

In 2014, an initial Memorandum of Understanding was signed between RCD and the Granada Sanitary Districts as part of GSD's application to reorganize into a Community Services District. The two districts share common goals in addressing resource conservation needs on the Coast and GCSD agreed to consult with RCD to help develop beneficial projects that would support its parks and recreation planning. Additionally, per the agreement, RCD would conduct resource management work on GCSD acquired properties to further those goals.

In early 2017 RCD was tasked with developing a resource management plan for the Burnham Strip that would focus on reducing non-native species, increasing native plant species, improving water quality on and off the property, and improving habitat for wildlife. That project started with site visits and a finalized Natural Resources Management Plan for the Burnham Strip Property that was adopted by the GCSD Board in March of 2018. Over the course of the next 21 months, RCD oversaw the implementation of the Natural Resources Management Plan and completed the tasks contained within. In May of 2020 RCD developed a Stormwater Management Opportunities Report for the Burnham Strip property followed by plans for abatement of the White Garden Snail (August 2020). RCD conducted a wetland assessment (June 2021) and provided technical assistance in development of Park plans (ongoing since 2020).

GCSD and RCD staff met on July 16 to discuss future possible projects, assistance, and to invite RCD to attend the August 15 board meeting to discuss these issues and respond to any questions the board may have.

GRANADA COMMUNITY SERVICES DISTRICT

# AGENDA MEMORANDUM

To: Board of Directors

From: Hope Atmore, Assistant General Manager

Subject: Consideration of Sewer Permit for 3-Unit + ADU Multi Family Project at 513-519 Avenue Alhambra, APN 047-206-260, Owner Ray Hekkert

Date: August 15, 2024

This item is presented for the Board consideration to approve a Class 1B (multiple unit) sewer permit for the above referenced project. Under District Resolution No. 2000-0004, the District Administrator does not have the authority to issue a Class 1B permit requiring more than 2 equivalent residential units (ERU's) of wastewater treatment capacity. The District Engineer has reviewed and approved the sewer plan for this project.

The sewer permit application was received on March 29, 2024, followed by an updated site plan that addressed the district engineer's concerns and questions on July 30, 2024. The project is located on a 5,165 square foot parcel in the R-3/S-3/DR zoning district, a multi-family residential district with a minimum size lot of 5,000 square feet. The proposed project is a 3-story, 3-unit apartment building with an additional attached accessory dwelling unit (ADU), located on Avenue Alhambra. In February 2024, the San Mateo County Planning Commission conditionally approved this project.

Should the Board approve the Class 1B sewer permit, the permit will be issuable upon payment of all permit fees. The parcel has 2 non-contingent assessments (NCA's) previously assigned and requires 1 additional NCA for the 3<sup>rd</sup> dwelling unit and 25% of an NCA for the ADU. The NCA purchase price for fiscal year 2024/25 is \$9,310.68. A calculation of the permit fees due for this project is as follows:

| Total Fees Due:  | \$54,120.27 |
|--|-------------|
| Non Contingent Assessment Fee @ \$9,310.68 (1.25 ERU's):   | \$11,638.35 |
| Contingent Assessment Fee @ 8,371.36 per ERU (3.25 ERU's): | \$27,206.92 |
| Connection Fee of \$4,700 per ERU (3.25 ERU's):            | \$15,275.00 |

The documents listed below are provided for this item:

- Sewer Permit Application
- SMC Coastal Development Permit Letter of Approval

- District Engineer's email approving sewer plans

February 29, 2024

Deepak Patankar Evoco Architecture & Interiors 160 South Linden, Suite 210 South San Francisco, CA 94080

Dear Deepak Patankar:

SUBJECT: Coastal Development Permit and Coastside Design Review Permit Avenue Alhambra, El Granada APN: 047-206-260; County File No. PLN2022-00365

Staff has completed its review of a Coastal Development Permit and Coastside Design Review Permit to allow the construction of a new three-story, 3,697 sq. ft. apartment building with an attached, 470 sq. ft. accessory dwelling unit (ADU), and a 1,200 sq. ft., attached 5car garage parking on a legal 5,165 sq. ft. legal parcel. The project involves minor grading and no tree removal. The project is not appealable to the California Coastal Commission.

At its meeting on January 11, 2024, the San Mateo County Coastside Design Review Committee (CDRC) reviewed your application and recommended approval of the project. All neighbors within 300 feet of the subject property were notified of the Coastside Design Review Committee Hearing. No correspondence opposing the project was received.

Based on the plans, application forms, and accompanying materials submitted, Staff has approved the project based on and subject to the following findings and conditions of approval:

#### **FINDINGS**

Staff found that:

#### For the Environmental Review:

1. This project is exempt from environmental review pursuant to the California Environmental Quality Act (CEQA) Guidelines, Section 15303, Class 3(b), relating to the construction of a duplex or similar multi-family residential structure, totaling no more than four units. In urbanized areas such as the area the parcel is in, this exemption applies to apartments, duplexes and similar structures designed for not more than six

- 10 --

- 29. All duct work to comply with NFPA 96 Chapter 5.
- 30. Fire Extinguishers: There must be at least one 2A10BC fire extinguisher for each 3,000 sq. ft., travel distance not to exceed 75 feet with at least one extinguisher per floor per Title 19, California Code of Regulations. Show location of extinguishers on plans.
- 31. Provide Penetration protection in all membranes through fire rated assemblies (i.e., dampers, fire caulking).
- 32. All doors in corridors shall have a 3/4 fire rated door and jamb with closer and smoke gasket. 2109 CFC Sec.1020.
- 33. Solar Photovoltaic Systems: These systems shall meet the requirements of the 2019 CFC Section 605.11.
- 34. A Certificate of Completion for Fire Alarm required at final.
- 35. A certification of Completion for Fire Sprinklers
- 36. Community Facilities District: The Fire District requires the formation of a Mello-Roos Community Facilities District (CFD) for all new construction of three or more residential units. Please contact the Fire District administration office for more details. Please be advised that the formation of a CFD takes approximately three months. The formation of a CFD is a condition of development and required to be completed prior to Fire District final approval and sign-off on the project.

#### Drainage Section

- 37. Final Drainage Report stamped and signed by a registered Civil Engineer.
- 38. Final Grading and Drainage Plan stamped and signed by a registered Civil Engineer consistent with the requirements in the County's current Drainage Manual.
- 39. Final C.3 and C.6 Development Review Checklist.

#### Granada Community Services District

- 40. All new construction projects require a Sewer Connection Permit from the District. If the subject parcel conforms in size with the County's zoning requirements, the applicant shall submit a sewer permit application after receiving County Planning approval. Please have the applicant contact our office at 650/ 726-7093 to obtain instructions and an application form.
- 41. Please be advised that there is a sewer mainline facility available to serve the proposed project. The applicant will be required to submit the constructions plans with their sewer

permit application form and other items. The construction plans must show all sewer lines necessary for the development including sewer pipes (lateral and sewer mainline), appurtenances, manholes, cleanouts and sewer backflow devices, which must conform to District standards.

42. Please note that due to the size of the proposed project, GCSD Board approval will be required before a sewer permit can be issued.

#### Coastside County Water District

- 43. The project is required to comply with Coastside County Water District regulations on water service and metering. The District performs inspections to verify compliance with all District regulations during construction and a final inspection when construction is complete.
- 44. San Mateo County Building Department does not send plans to Coastside County Water District, so the applicant must complete an online application for water service with the District. You must complete an application for fire service and another application for residential water service.
- 45. Due to the estimated water demand, backflow protection, and the building being three stories, this project will be referred to the district's engineer to determine the final size of the domestic service and meter. Backflow protection is required on all non-residential water services.
- 46. The location of the new fire and domestic water services and meters must be in a safe location with enough room for the backflow protection devices and clear of driveways and parking areas.
- 47. Fire sprinklers are served from an independent and dedicated water service connection with a separate fire meter. Please note that Coastside County Water District does not allow passive purge systems to be installed on fire protection services. Fire protection services are authorized for the sole purpose of fire protection, so there shall be no cross connections.

The approval of this Variance permit and any conditions of the approval may be appealed within ten (10) working days of the date of this letter. An appeal form accompanied by the applicable filing fee of \$616.35 must be submitted by **5:00 p.m., March 14, 2024**.

If you have any questions, please call the project planner, Angela Chavez, at 650/599-7217 or by email at <u>achavez@smcgov.org</u>.

#### **RE: Alhambra Plaza Project**

John Rayner < JohnRayner@kennedyjenks.com>

To:Hope Atmore <hatmore@granada.ca.gov>;Chuck Duffy <cduffy@dudek.com>

Hi Hope & Chuck,

I reviewed the plans for the Plaza Alhambra Development at 513 Ave Alhambra accessed by the link in the email below. The plans include the 7/30/24 revision of Sheet C-1showing the building lateral and GCSD details. The lateral and details shown are approved.

Accordingly, we recommend that the GCSD Board approve the Plaza Alhambra Development project.

Please let me know if you have any questions. Thanks.

John

From: Hope Atmore <hatmore@granada.ca.gov> Sent: Monday, August 5, 2024 2:43 PM To: John Rayner <JohnRayner@kennedyjenks.com>; Chuck Duffy <cduffy@dudek.com> Subject: Alhambra Plaza Project

Hello John and Chuck,

I just confirmed with Sigma Prime that the new C1 sheet that they had sent last week is the replacement of the original C1. It is now in the linked folder with the update <u>HERE</u>. Based on that information, please let me know if you are able to make a recommendation to the board as any project requiring more that 2 ERU's requires Board Approval. I think they are hoping to have it on the August agenda so we would need to have that recommendation by Thursday of this week if possible. If you need more time than that to review, just let me know.

Thanks,

Hope Atmore Assistant General Manager

ALL GRADING SHALL CONFORM TO LOCAL CODES AND ORDINANCES.

ALL TRENCHES UNDER PROPOSED PAVED AREAS OR CONCRETE SHALL BE BACKFILLED TO SUBGRADE ELEVATION WITH COMPACTED APPROVED GRANULAR MATERIALS. IF TRENCHES ARE IN PROPOSED LANDSCAPE AREAS, THEY SHALL BE BACKFILLED WITH COMPACTED APPROVED GRANULAR MATERIAL TO WITHIN ONE FOOT OF FINISHED GRADE, AND THEN FILLED WITH HAND TAMPED SOILS.

August 8, 2024

# Memorandum

To: Granada Community Services District

From: John H. Rayner, District Engineer

Subject: Engineer's Report for August 2024

#### 6-Year CIP, Project 3

CIP, Project 3 is the next and final project of the 6-Year CIP approved by the Board in 2019. Because of the combination of recent higher than expected inflation and upcoming SAM expenses for IPS force main replacement, CIP Project 3 has been delayed.

#### Harbor Village RV Park

The RV Park project is still under construction.

#### Pillar Point Harbor RV Park Public Restroom Project

The Restroom project at the RV park is still under construction.

#### Pillar Point Harbor Sewage Meter

Our electrical engineering department reviewed the suitability of the magnetic flow meter currently installed in the wet well of the Pillar Point Harbor pump station. They found that the meter is not suitable for installation in a sewage wet well, which is classified as a Class 1, Group D Division 1 hazardous area. The meter instead should be relocated out of the wet well to an accessible location in a non-hazardous environment.

#### SAM's Meeting with Member Agency Managers & Engineers re SAM's Montara FM

The Request for Proposal for Progressive Design Build (PDB) for replacement of SAM's Montara Force Main was sent to the three shortlisted PDR teams on July 9<sup>th</sup>. Proposals are now due on September 20th. The schedule includes approval of a design contract with the selected team in November, approval of the construction contract next July, and construction complete by June 30<sup>,</sup> 2026.

#### Review of SAM's Draft 5 Year CIP

A meeting with SAM and member agencies was held on July 19<sup>th</sup> to discuss a 5 Year draft CIP for SAM prepared by William Faisst Consulting Engineer. Because of the need to replace SAM's Montara force main as well as other needed projects, the draft 5 Year CIP includes projects totaling \$18.6 million, compared to SAM's 5 year target of \$13.5 million.

#### Naples Beach. Phase 2 Easement

About 275' of 8" sewer on this project was constructed on State Parks property without a GCSD easement. Access for construction was authorized by State Parks by a temporary Right of Entry permit, as efforts to secure an easement prior to construction were unsuccessful. Now that the sewer has been constructed, we'll be working again with State Parks staff to secure a permanent GCSD easement for this sewer.

# SEWER AUTHORITY MID-COASTSIDE Board of Directors Meeting Agenda Regular Board Meeting 7:00 PM, Monday, July 22, 2024

SAM Administration Building, 1000 N. Cabrillo Highway, Half Moon Bay, CA 94019 This meeting will be held in-person and via zoom for public participation. Access to this meeting will be available to the public via in person attendance, or by either computer web-link or telephone audio as noted below.

Join Zoom Meeting <u>https://us02web.zoom.us/j/88014992801?pwd=Kz0ERq81iQvSEjZ6dSXDoUz2WPi98O.1</u>

Meeting ID: 880 1499 2801 Passcode: 615912 1 669 900 6833 US (San Jose)

Please note that this meeting will be held in person at the SAM Administration Building. As a convenience for the public, the meeting may also be accessed by Zoom Webinar and will be available by either computer or telephone audio as indicated below. Because this is an inperson meeting, and the Zoom component is not otherwise legally required, but rather is being offered as a convenience to the public, if there are technical issues during the meeting, this meeting will continue and will not be suspended. SAM Board meetings are conducted as business meetings, and public commenters are reminded to comment in a manner respectful of all persons, and on subject matter that is germane to the Board's business. Persons who fail to adhere to this expectation are subject to muting of their microphones and/or removal from the meeting in the event of disruptive behavior.

If you have a disability and require special assistance related to participating in this meeting, please contact the Authority at least two working days in advance of the meeting at (650) 726-0124 or via email at <u>kishen@samcleanswater.org</u>.

# 1. CALL TO ORDER

A. Roll Call:

Chair: Vice-Chair: Secretary: Treasurer: Director: Director: Barbara Dye (GCSD) Deborah Ruddock (HMB) Kathryn Slater-Carter (MWSD) Peter Dekker (MWSD) Matthew Clark (GCSD) Dr. Deborah Penrose (HMB)

# 2. PUBLIC COMMENT / ORAL COMMUNICATION/ ITEMS NOT ON THE AGENDA

Members of the public are welcome to provide public comments in person, or via computer web-link/telephone on items not on the agenda at this time. Members of the public may also comment via e-mail by sending email comments to <u>kishen@samcleanswater.org</u>. All comments submitted prior to 7 pm on July 22, 2024, will be read aloud during the discussion of the respective item(s) identified in the e-mail; written comments without such identification shall be read during this Item. Members of the public may also provide comments in person, telephonically, or electronically on individual items on the agenda following recognition by the Board Chair presiding over the meeting.

- **3. CONSENT AGENDA** (Consent items are considered routine and will be approved/ adopted by a single motion and vote unless a request for removal for discussion or explanation is received from the public or Board.)
  - A. Approve Minutes of July 8, 2024, Regular Board Meeting (Attachment)
  - B. Approve Disbursements for July 22, 2024 (Attachment)
  - C. Monthly Revenue and Expense Report for Period Ending June 30, 2024 (receive and file) (Attachment)
  - D. Authorize the General Manager to Pay CalPERS the Unfunded Annual Liability (UAL) Payment for Fiscal Year 2022/23 in a Single Lump Sum Payment in the Amount of \$302,698 (Attachment)
- **4. REGULAR BUSINESS** (The Board will discuss, seek public input, and possibly take action on the following items)
  - A. Status Update on Annual Comprehensive Financial Report submitted to Government Finance Officers Association (GFOA) for Fiscal Year Ended June 30, 2023 (Attachment)

- B. Authorize General Manager to Purchase/Replace SAM 6 for Administration Department (Attachment)
- C. Set Salary and Terms and Conditions of Employment for Unrepresented Employees and Approve Unrepresented Employees' Salary Schedule, Retroactive to July 1, 2024 (Attachment)
- D. Set Bi-Weekly Employee Salary Schedule, Effective July 1, 2024 (Attachment)

### 5. GENERAL MANAGER'S REPORT

- A. Monthly Managers' Report June 2024
- 6. ATTORNEY'S REPORT
- 7. DIRECTORS' REPORT
- 8. TOPICS FOR FUTURE BOARD CONSIDERATION (Attachment)
- **9.** CONVENE IN CLOSED SESSION (Items discussed in Closed Session comply with the Ralph M. Brown Act.)
  - A. CONFERENCE WITH LEGAL COUNSEL EXISTING LITIGATION

Pursuant to Government Code Paragraph (1) of Subdivision (d) of Section 54956.9: (Half Moon Bay v. Granada CSD, Montara WSD & Sewer Authority Mid-Coastside)

B. CONFERENCE WITH LEGAL COUNSEL — PENDING LITIGATION

Pursuant to Paragraph (1) of Subdivision (d) of Government Code Section 54956.9, *Ecological Rights Foundation v. Sewer Authority Mid-Coastside* (Case No: 3:18-CV-04413

- C. PUBLIC EMPLOYEE PERFORMANCE EVALUATION, Pursuant to Government Code 54957, Title: General Manager
- D. CONFERENCE WITH LABOR NEGOTIATORS Pursuant to Government Code § 54957.6 Unrepresented employee: General Manager

E. CONFERENCE WITH LABOR NEGOTIATORS (§ 54957.6) Agency designated representatives: Kishen Prathivadi, Christopher Boucher Employee organization: IUOE Stationary Engineers, Local 39Conference with Labor Negotiators (§ 54957.6) Unrepresented Employees

# **10. CONVENE IN OPEN SESSION** (Report Out on Closed Session Items)

## 11. ADJOURNMENT

Upcoming Regular Board Meetings: August 12, 2024, and August 26, 2024 The meeting will end by 9:00 p.m. unless extended by Board vote.

# INFORMATION FOR THE PUBLIC

This agenda contains a brief description of each item to be considered. Those wishing to address the Board on any matter not listed on the Agenda, but within the jurisdiction of the Board, may do so during the Public Comment section of the Agenda and will have a maximum of three minutes to discuss their item. The Board Chair will recognize those wishing to speak on a matter listed on the Agenda at the appropriate time.

Any writing that is a public record and relates to an agenda item for an open session of a regular meeting that is distributed to the Board less than 72 hours prior to the meeting, is available for public inspection, during normal business hours, at the Authority's office.

Board meetings are accessible to people with disabilities. Upon request, the Authority will make this agenda available in appropriate alternative formats to persons with a disability. In compliance with the Americans with Disabilities Act, the Authority will provide special assistance for participation in this meeting. Please submit requests for a disability-related modification or accommodation in order to participate in the public meeting at least two working days in advance of the meeting by contacting the Authority at (650) 726-0124.

# SEWER AUTHORITY MID-COASTSIDE

# Staff Report

TO: Honorable Board of Directors

FROM: Tim Costello, Plant Superintendent

**DATE:** July 22, 2024

SUBJECT: Monthly Manager's Report – June 2024

## Executive Summary

The purpose of this report is to keep the Board and public informed of SAM's day-to-day operations.

# Fiscal Impact

There is no fiscal impact from this report.

# Strategic Plan Compliance

The recommendation complies with the SAM Strategic Plan Goal 5.5: "Operations and maintenance should be proactively planned, and the Board shall be kept up to date on progress on operations and maintenance issues."

## Background and Discussion/Report

The following data is presented for the month of June 2024.

| Key Indicators of Performance |   |
|-------------------------------|---|
| NPDES Permit Violations:      | 0 |
| Accidents, Injuries, etc.:    | 0 |
| Reportable Spills Cat 1:      | 0 |
| Reportable Spills Cat 2:      | 0 |
| Reportable Spills Cat 3:      | 0 |
| Reportable Spills Cat 4:      | 0 |

| Flow Report (See Attachment A) |       |        |  |  |  |  |
|--------------------------------|-------|--------|--|--|--|--|
| Half Moon Bay                  | 0.776 | 60.28% |  |  |  |  |
| Granada CSD                    | 0.262 | 20.32% |  |  |  |  |
| Montara W&SD                   | 0.250 | 19.39% |  |  |  |  |
| Total                          | 1.287 | 100.0% |  |  |  |  |

# Administration

There was one Regular Board Meeting in the month of June 2024, and no public records request. There was no article in the Half Moon Bay Review. There was one article in the Coastside Buzz Mentions of Sewer Authority Mid-Coastside Looks to Future with a Bio-Charge System that Heats Sludge, Removes Organics and Destroys PFAS, (June 12, 2024). There were no new hires in the month of June. There was one Anniversary's in the month of June Lead Operator David Partida.

# **Operations & Maintenance**

The following permanent flow storage installations are in place and functioning properly.

Montara Pump Station – Walker Tank, which has a capacity of 434,000 gallons.

The Portola Station – Wet Weather Facility, which has a capacity of 400,000 gallons.

The Portola Pump Station has the ability to use the Wet Weather Facility as a modified equalization basin if needed, (without mixing it is not ideal for this use). It is better suited as wet weather flow storage as originally designed.

We have not had to use Alum, (aluminum chloride) and polymer to aid in settling in the secondary clarifier for a little bit now which is nice and saves us money on chemical usage. As conditions change, we might need to use the alum again but in the short term I will take the win. We are adding polymer and cl2 for foam control on an as needed basis on the front side of the MLSS basin.

We continue to keep open communicating going with Mr. Burrell so that he is aware of any issues we might be experiencing.

While we did get some light rain early in June it was not much. There were some power issues in the field, primarily PG&E related issues.

Earlier this month, (6/12), we had safety training with Du-all, we encourage folks from the member agencies to attend any of the training that will relate to them. This month the covered topics were confined space training. This is part of our routine safety program just to keep safety on the forefront of people's minds while they are working.

The Princeton project is moving along well, the functional test is scheduled for early in July. If all goes well it should be online early in the early part of the month.

We had the annual inspection of all the fire extinguishers, Calcon was working on radio telemetry and station communication. Overaa was in for a site walk for the upcoming primary project and to sort out setup and staging area.

Digester #2 will be back online soon; we were able to get folks doing the Princeton coating to spray the hatches for us it is just a matter of their schedule. Once that is complete, we will get it buttoned up.

Update on the boiler replacement. We are still going forward, it is in the BAAQMD hands, for reference this process started in May of 2023.

During the month of June 2024 rainfall was below the historic normal for Half Moon Bay. The 10-year average for the area is 0.153 inches of rain in, (0.28 inches used to be considered normal, this year we received 0.10 inches, below the 10-year average). This web link has some very useful data for our area, <u>https://ggweather.com/hmb/</u>. Rainfall totals were as follows: 0.10 inches, (from the NOAA gauge at the plant). Our roof top had 0.10 at the plant, 0.07 inches in the GCSD service area, and 0.09 inches at the MWSD weather station. There were micro-climate variations verified by the data.

# Below is a chronological summary of some of the occurrences during the month of June 2024.

- 6/1/2024 Saturday Daily ops rounds and duties. Add polymer to the MLSS effluent. Increase primary sludge pump rates. Fill up a couple polymer totes during the day.
- 6/2/2024 Sunday Daily ops rounds and duties. Add polymer to the MLSS effluent. #1/2 water pump failed (earth fault) reset.
- 6/3/2024 Daily ops rounds and duties. Add polymer to the MLSS effluent. #1/2 water pump 1 failed, reset VFD all ok now. Fill up a couple mixed polymer totes. Weed whack and clean area around head works. Hose down a section of the secondary weirs. Did weekly inventory of chemical supplies.
- 6/4/2024 Daily ops rounds and duties. Added polymer to the MLSS effluent. Found tubing for alum pump leaking, replaced old tubing with new. #1/2 water pump #2 found leaking, turned off and set #1 pump on lead. Did call CALCON to diagnose and repair the leak. Replaced polymer tote for belt press. Weed whack around the plant. SRT engineers at the plant are looking into final effluent building and other parts around the plant.

- 6/5/2024 Daily ops rounds and duties. Added polymer to the MLSS effluent. SERP SSO spill training. CALCON here working on programming #1/2 water pumps 1 and 2. Found water inside electrical connection of the #1/2 water pump 1. Weed whack around plant.
- 6/6/2024 Daily ops rounds and duties. Add polymer to the MLSS influent and effluent. Union meeting. CALCON here to repair #1/2 water pump 2 And 3. Operations meeting in the afternoon. Clean and weed whack areas around the plant.
- 6/7/2024 Daily ops rounds and duties. Added polymer to the MLSS effluent. Test #1 water pump 2 after being repaired. Continue cleaning and wash-down areas around the plant. One crew member was taken to hospital after falling and getting hit on the nose and forehead from the fall.
- 6/8/2024 Saturday Daily ops rounds and duties. Add polymer to the MLSS effluent. Fill a couple mixed polymer totes.
- 6/9/2024 Sunday Daily ops rounds. Collect Alpha Lab samples. RDT not working on Auto mode, did restart and worked ok. Work on Payroll and HACH WIMS.
- 6/10/2024 Daily ops rounds and duties. Continue adding polymer to the MLSS effluent. CALCON here working on telemetry in admin building. Work on peristaltic pump for the ALUM feeding to the MLSS effluent. Perform weekly inventory for the plant.
- 6/11/2024 Daily ops rounds and duties. Add polymer to the MLSS effluent. Work on MICRO 2000 CL2 analyzer due to inconsistencies in the 2-hour daily checks, found the issue and corrected it. Was down bar screens and headwork's area.
- 6/12/2024 Daily ops rounds and duties. Continue adding polymer to the MLSS effluent, also added polymer to AB3 influent side. DU ALL-confined space training to all field crew staff including MONTARA water sanitary district. Wash down sections of secondary clarifier.
- 6/13/2024 Daily ops rounds and duties. Continue adding polymer to the MLSS effluent and polymer to the AB3 influent side. Boiler #2 failed, low gas pressure, reset boiler. Test and exercise all influent pumps.
- 6/14/2024 Daily operations rounds and duties. Continue adding diluted polymer and alum to the MLSS effluent. Collect and drop off COVID samples. Planned power outage for PRINCETON pump station.

- 6/15/2024 Saturday-Daily ops rounds and duties. RDT failed due to sensor inside hopper dirty, cleaned and reset alarm. The power was back on at PRINCETON pump station at 06:00. Add polymer to the MLSS effluent side and fill up a couple polymer totes of diluted polymer.
- 6/16/2024 Sunday-Daily ops rounds and duties. Add polymer to the MLSS effluent. Prepare ALPHA sample bottles for the following day. Normal day.
- 6/17/2024 Daily ops rounds and duties. Continue adding polymer to the MLSS effluent. Collect ALPHA samples. Weed whack and clean areas around the plant.
- 6/18/2024 Daily ops rounds and duties. Added polymer to the MLSS effluent. Continue cleaning areas around the plant. Empty tote pick up company here, loaded 32 totes in truck. Check and inspect fire extinguishers for the month of June.
- 6/19/2024 Daily ops rounds and duties. Continue adding polymer and alum to the MLSS effluent. Scrub and hose down secondary #1 weirs. Removed all scrap metal from PRINCETON pump station. Grande flood management systems at the plant quoting us on flood retaining wall.
- 6/20/2024 Daily ops rounds and duties. Add polymer and alum to the MLSS effluent. Cleaned Contact basin #1. Union meeting during lunch. Davey Tree Company at the plant doing work for PG&E, (they need to do more I hope).
- 6/21/2024 Daily ops rounds and duties. Continue adding polymer and alum to the MLSS. Switch chemical pumps for CL2 and SO2. Exercise all influent pumps by hand manually. The influent sampler fridge not working properly, did reset and works well now.
- 6/22/2024 Saturday- Daily ops rounds and duties. Add polymer and alum to the MLSS effluent. RDT failed a few times, had to run on manual mode. Changed primary pump sludge rates.
- 6/23/2027 Sunday- Daily ops rounds and duties. Stop the addition of polymer and alum to the process. No anomalies, normal day.
- 6/24/2024 Daily ops rounds and duties. Add polymer to aeration basin #3 influent side. CALCON here is working on waste gas flare, replaced automatic valve but gas flare still having issues. Clean areas around plant. Met roofer at the Princeton pump station to look at roof.

- 6/25/2024 Daily ops rounds and duties. Collect ALPHA samples. Sodium Bisulfite delivery, Fill both tanks to 100% due to ordering error. Clean all 4 DO probes in the aeration basins. Worked on waste gas flare but found auto gate valve does not engage when called for. Site walk with Overaa to look at primary clarifier project that is coming up in the next few weeks.
- 6/26/2024 Daily ops rounds and duties. Collect all working fire extinguishers and place in MB2. RDT failed due to broken polymer mixing unit, we were able to temporarily repair broken part, original parts ordered. Add polymer to AB3 influent side only.
- 6/27/2024 Daily ops rounds and duties. Cleaned contact basin number 2. Exhaust valve (VAREC valve) on digester #1 is leaking gas did notify mechanics. Fire extinguisher Company here working on all fire extinguishers. CALCON here working on telemetry and communication controls. Superintendent was out at Date / Harte with crew till almost 1 a.m.
- 6/28/2024 Normal rounds and reads, adding poly to MLSS for foam control, Anton in checking on the flow meters outside of the plant.
- 6/29/2024 Saturday Normal rounds and reads, one operator on duty, nothing out of the ordinary
- 6/30/2024 Sunday Normal rounds and reads, One operator on duty, adding poly to MLSS for foam, Print out paperwork and transfer numbers for July month, Hypo pump # 3 having issues switch to # 4, Prep Alpha bottles.

## Other activities are listed below:

There were 11 deliveries (approximately 7,000 gallons) of trucked waste discharged at the SAM Plant for a total revenue of \$ 700.00. There were no leachate deliveries to the SAM IPS line in the month of June 2024, for a total leachate volume of 0 gallons.

The NPDES data report for June 2024 is attached reference (Attachment B).

## **Contract Collection Services**

The SAM crew cleaned 23,405 feet of sewer line and responded to twenty calls in contract service areas. Nine calls were sewer line related and eleven were maintenance service calls. Three of the callouts were during regular business hours or started during regular business hours and went into overtime. Seventeen of the calls were after hour

callouts. Seven of the calls were in HMB, eleven calls were in the MWSD service area, and two calls were in the GCSD service area during the month of June 2024.

HMB – The service calls in HMB were as follows; 6/3 - Replaced smart cover battery on Bell Building smart cover. 6/20 - Call for service line issue. When the crew arrived, they observed the main was flowing well, they flushed the main to confirm it was open finding no obstruction. Advised owner to contact a rooter company to resolve issue. 6/23 - Loose cover on manhole, seemed to have a fitment issue. Crew was able to locate a spare manhole lid that fit better to fix issue.

The maintenance service calls in HMB was as follows; 6/3 - Pelican point PG & E power issue, genny ran 10.7 hrs. Reset all equipment and tested for normal operation after power was restored. 6/3 - Ocean colony PG & E power issue, genny ran 10.7 hrs. Reset all equipment and tested for normal operation after power was restored. 6/5 - Bell moon lift station High level alarm. Observed high level float hanging to low upon arrival. Re-secured float at appropriate elevation. Cleared alarms and tested station for normal operation. 6/30 - Bell moon station trouble alarm, could have been caused by dense fog / moisture. Reset alarms and checked for normal operation.

GCSD – The service call in GCSD was as follows; 6/14 - Call for a service line back up. The crew arrived finding standing water in cleanout. The crew flushed main finding no obstruction, they assisted owner to clear blockage.
 Recommended owner protect property line clean out to prevent future issue.
 6/21 - Call for service line issue, crew noticed standing water in prop line cleanout upon arrival. Flushed main finding no obstruction.

There were no maintenance service calls in the GCSD service area in the month of June.

MWSD – The sewer line related call in the MWSD area was as follows; 6/1 - Call for standing water in lateral, there was a blockage at main connection causing the back up. Owner had service line televised, there is an offset from when C.I.P. work was done on the main line causing this issue. 6/23 - Call for a sink hole starting in the street. It is in line with the gravity main line but there is nothing obvious that would lead us to believe there is some sort of failure occurring. 6/27 - C.I.P. Construction issue. Structure into manhole was compromised allowing a lot of base rock to totally block sewer. The contractor was called in. It was a long night, but the crew prevented any sort of SSO. 6/28 - Day two of C.I.P. project, crew was onsite this time from the get go. Another long day but of vactoring debris from the manhole which is why we planned on being there today.

The maintenance calls in the MWSD service area were as follows; 6/7 -Airport station general station alarm. The station was operating upon arrival. Reset all alarms and checked station for normal operation. 6/14 - Airport station alarm. The station was on genny upon arrival. PG & E was doing work in the area. Power was restored hours later, reset alarms, and checked station for normal operation. 6/15 - Date Harte station alarm. Station was on genny upon arrival. PG & E was doing work in area they didn't think it would have caused the power disruption but something was going on. Power was restored hours later, reset alarms and checked station for normal operation. 6/15 - Seal cove 2 station was operating normal upon arrival, possible power glitch due to work being done in area. Reset alarms and checked station for normal operation. 6/17 - Seal cove 2 station, upon arrival station was in alarm but functional, possible power glitch. Reset alarms and tested station for normal operation. 6/19 - Airport street station, high level alarm through alarm company, checked station and reset. Checked for normal operation. 6/27 - Vallemar station alarm for genny running. Was on utility power upon arrival. Genny totalizer did not indicate increase in run time hours. Likely a glitch, reset alarms and checked station for normal operation.

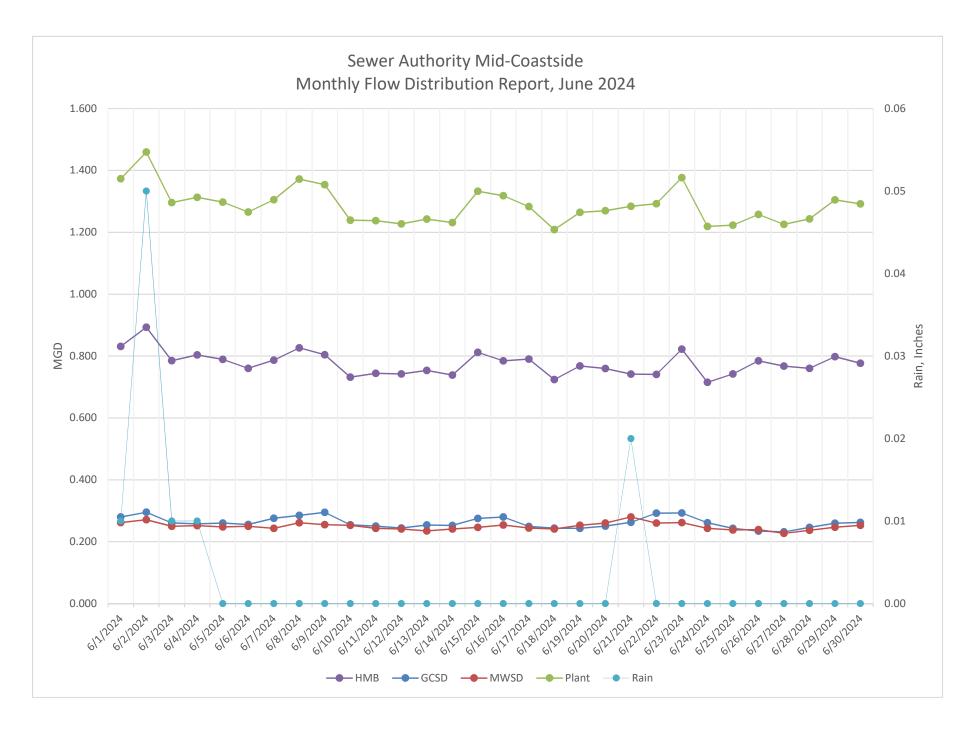

The June 2024 collection system data report is provided for the Board's information. There were zero (0) Category 1, zero (0) Category 2's, zero (0) Category 3's, and zero category 4 SSO's, during the month of June 2024.

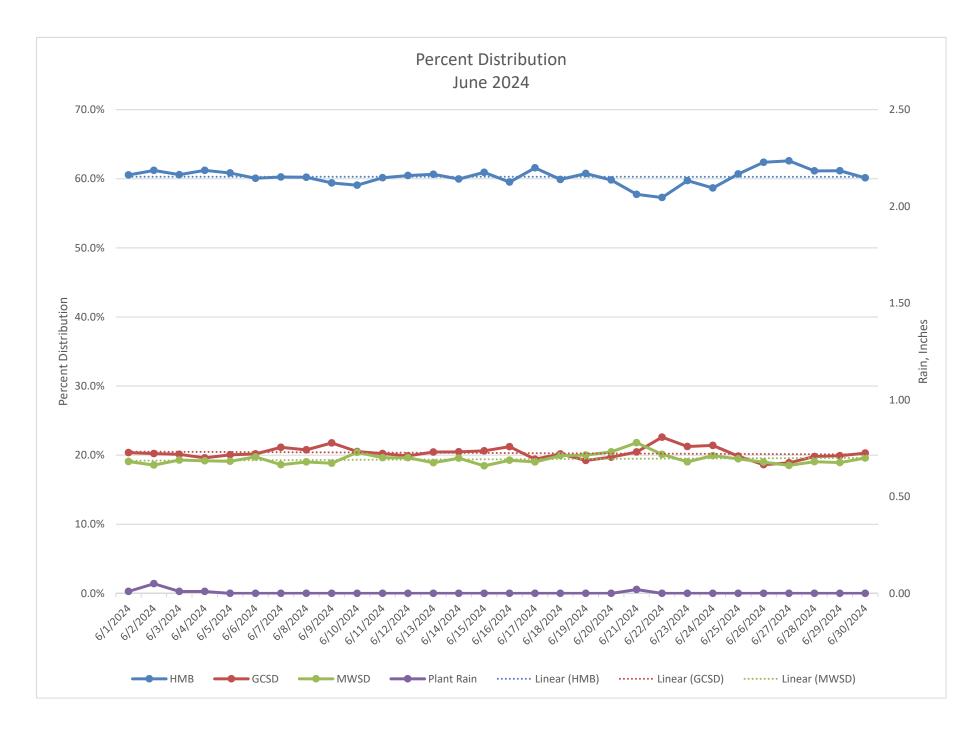

## Staff Recommendation

Staff recommends that the Board receive the Manager's Report for June 2024.

COMMUNITY SERVICES DISTRIC

GRANADA COMMUNITY SERVICES DISTRICT

## MINUTES BOARD OF DIRECTORS REGULAR MEETING AT 7:00 p.m.

## July 18, 2024

This meeting was held in person and via Zoom.

#### CALL REGULAR MEETING TO ORDER AT 7:00 p.m.

The regular meeting was called to order at 7:00 p.m.

#### ROLL CALL

President Nancy Marsh, Director Matthew Clark, Director Barbara Dye, and Director Jen Randle. Director Jill Grant participated via teleconference from 128 Coronado St., El Granada, pursuant to Government Code Section 54953(b), and came into the meeting at 7:05 pm.

Staff: General Manager Chuck Duffy, Assistant General Manager Hope Atmore, and District Counsel William Parkin.

#### **GENERAL PUBLIC PARTICIPATION**

None.

#### **REGULAR MEETING AGENDA**

#### 1. Parks and Recreation Activities.

a. Report on Granada Community Park and Recreation Center – Ms. Atmore reported that the public comment period for the IS/MND had been extended to July 19 and that 89 comments had been received to date. Ms. Atmore also stated that staff had temporarily suspended the contract with Townsend Public Affairs until the project is shovel ready. Director Marsh concurred that the sentiment from various public officials at the county and state level was that grants would be more accessible when permits were in hand. Director Dye asked for next steps in the process and Ms. Atmore explained that the comments would be reviewed by Montrose and the project team and that the MND would be brought back to the Board with incorporated comments likely at the September meeting. Director Randle asked if a presentation had been done to the MCC. Mr. Duffy confirmed that he, Tom Conroy of KKDG, and Director Marsh presented to the MCC on July 10<sup>th</sup>. Director Marsh summarized the discussion and asked that the slides be shared with the Board. Mr. Duffy stated that the future steps outline was available and would also be shared with the Board and published on the website. Director Grant asked who would review the comments on the MND. Mr. Duffy clarified that the project team would include himself, Tom Conroy, Bill Parkin, and Hope Atmore. Director Grant went on to ask if a revised MND would include

financial information. General Counsel Parkin stressed that the MND is an environmental document and therefore financial comments would not be addressed. He went on to emphasize that until the team evaluates the comments, he could not determine if a revised MND would be coming and that there is no legal requirement to make revisions. Director Grant asked if Mr. Parkin would investigate adding services to the GCSD LAFCo charter. Mr. Parkin stated that it would be a drawn out process and that he would investigate if he is directed by the Board to do so.

b. Report on Planned Recreation Program Events – Ms. Atmore reported that the bookmobile would be continuing its route in El Granada on the 2<sup>nd</sup> and 4<sup>th</sup> Monday of each month and that the next newsletter would be available in mid-August.

**Director Marsh re-opened general public comment at the request of Director Grant.** Director Grant reminded the public that the filing period for the November election was open. Director Grant also asked if GCSD was following the RCD vegetation management plan. Mr. Duffy stated that the District was following the plan and that staff had recently met with RCD staff. He also said that RCD would be presenting at the August meeting.

2. Public Hearing: Consideration of a Resolution Adopting the Sewer Service Charge Report and Delinquent Garbage Account Report and Authorizing the Collection of Said Charges on the Fiscal Year 2024/25 San Mateo County Tax Roll. Director Dye summarized the number of residential and commercial accounts. Director Grant asked for clarification on collection of fees for delinquent garbage accounts. Mr. Duffy explained that per the District's agreement with Recology, delinquent fees are included on the property tax bill on their behalf. Director Marsh opened the public hearing for comments. Ms. Atmore reported that no written comments had been received on the topic, and there were no comments at the meeting. The public hearing was closed.

**ACTION:** Director Clark moved to approve Resolution 2024-05. (Clark/Randle). Approved 5-0.

- **3. Engineer's Report.** Director Dye asked for explanation on the Harbor District sewer meter. Mr. Duffy explained that our district engineer commented that the meter being used is not suited for use in a sewer manhole setting.
- 4. Report on Sewer Authority Mid-Coastside Meetings. Director Dye reported that the City of Half Moon Bay finally agreed to pay their share of the first phase of the SAM IPS forcemain repair located in Montara. SAM will be putting out a request for proposals for a design-build contract for the force main. The SAM Princeton Pump Station Replacement Project is complete. Mr. Duffy stated that the agency managers will be meeting this week to discuss a SAM 5 year Capital Plan.

#### **CONSENT AGENDA**

- 5. June 20 Regular Meeting Minutes.
- 6. July 2024 Warrants.
- 7. May 2024 Financial Statements.

**ACTION:** Director Dye moved to approve the Consent Agenda. (Dye/Randle). Approved 5-0.

#### **COMMITTEE REPORTS**

8. Report on seminars, conferences, or committee meetings.

#### **INFORMATION CALENDAR**

- 9. Attorney's Report. (Parkin) No Report.
- 10. General Manager's Report. (Duffy) No Report
- 11. Administrative Staff Report. (Atmore) No Report
- **12.** Future Agenda Items Director Dye asked for a discussion on the problem of snails on the Granada Community Park site. Mr. Duffy reported that RCD would also address the issue of snails. Director Grant stressed the need for mowing equipment to be washed down before and after coming on to the property.

#### ADJOURN TO CLOSED SESSION

1. Conference with Legal Counsel – Existing Litigation - Government Code Section §54956.9(d)(1).

City of Half Moon Bay v. Granada Community Services District and Montara Water and Sanitary District (RPI, Sewer Authority Mid-Coastside) – Santa Clara County (Superior Court Case No. 17CV316927; Sixth District Court of Appeal Case No. H049896)

#### **RECONVENE TO OPEN SESSION**

No reportable action.

#### ADJOURN REGULAR MEETING

The meeting was adjourned at 8:20 p.m.

Hope Atmore, Board Secretary

Date Approved by the Board: August 15, 2024

GRANADA COMMUNITY SERVICES DISTRICT

# AGENDA MEMORANDUM

To: Board of Directors

From: Hope Atmore, Assistant General Manager

Subject: Leadership Corps Program - Leadership Council San Mateo County

Date: August 15, 2024

I am pleased to share that I will be attending the Leadership Corps Program offered by Leadership Council San Mateo County. The program meets once a month for 10 months and brings together leaders from nonprofit, business, and government sectors with a focus on civic engagement, cross-sector relationships, and enhancing leadership skills. Modules include topics such as Climate Resilience & Adaptation, Economic Development & Opportunity, and Healthy Communities. I look forward to gaining knowledge and increasing connections within San Mateo County to benefit the District. GRANADA COMMUNITY SERVICES DISTRICT

# AGENDA MEMORANDUM

To: Board of Directors

From: Nancy Marsh, Board President

Subject: MidCoast Community Council July 10, 2024 Meeting Report

Date: August 15, 2024

Following the Board's agreement for GCSD to make a presentation to the MidCoast Community Council regarding their comments on GCSD's IS/MND for Granada Community Park and Recreation Center, I was asked, as Board President, to join Tom Conroy and Chuck Duffy for a presentation at the July 10 MCC meeting. In preparation, I met with Chuck and Tom to plan the scope of the presentation and met again with Tom to review the development of his slide preparation. I did additional background work to be prepared to address questions or comments from the MCC regarding activities in which I was directly involved, e.g., the process and content of community outreach events for the project, the consideration of and ultimate decision not to include licensed childcare space within the recreation center, alternative approaches to providing early childcare education and development within public unlicensed recreation center space and additional community-serving opportunities for the recreation center.

At the July 10 MCC meeting, Tom made a formal presentation in response to the June 12 IS/MND comment letter from MCC. Tom, Chuck and I responded to various questions and comments from Council members which primarily focused on the concerns about loss of Hwy 1 parking due to the Caltrans project and reduced GCSD parking in the project plan, listened to various public comments regarding the IS/MND and other unrelated concerns, and answered any follow up questions from Council members. Overall preparation time was about 5 hours and attendance time at the meeting was 2 hours. A follow-up short briefing to the GCSD Board was made at the July 18 regular Board meeting and Tom's presentation was distributed to the Board and posted on GCSD's website under "Parks Services Documents and Resources."

# Administrative Staff Report

Period: July 13, 2024 to August 9, 2024

To: Board of Directors

From: Hope Atmore, Assistant General Manager

Date: August 15, 2024

#### **PUBLIC RECORDS (ACT) REQUESTS** – There was one PRA request this period:

| Date     | Requestor   | Documents Requested   | Response |
|----------|-------------|---|----------|
| 07/15/24 | C. Anderson | Audited Financial Statements, Account Summary FY23, List of | 07/31/24 |
|          |             | District Contractors FY23 & Trial Balance FY23              |          |

#### **APPLICATIONS RECEIVED**

There were three applications received this period:

| Date     | Class | <b>Owner/Agent</b> | APN         | Address                 | Sq. Ft. | Zone   |
|----------|-------|--------------------|-------------|-------------------------|---------|--------|
| 07/19/24 | ADU   | Pasternak          | 047-286-010 | 330 Santa Maria Ave, EG | 5,844   | R1/S17 |
| 08/05/24 | VAR   | Taffera            | 048-022-370 | 0 Magellan Ave, EG      | 8,800   | S94    |
| 08/07/24 | ADU   | Williamson         | 047-127-470 | 255 Ave Balboa, EG      | 3,049   | R1/S17 |

Shaded items were previously reported.

#### PERMITS ISSUED

There were four permits issued this period:

| Permit<br>No. | Class | Date     | Owner/Agent  | APN         | Address |                        | Sq. ft. | Zone   |
|---------------|-------|----------|--------------|-------------|---------|------------------------|---------|--------|
| 3258          | ADU   | 07/08/24 | Galvan Trust | 047-287-250 | 448     | Ave Cabrillo, EG       | 5,000   | R1/S17 |
| 3259          | 2M    | 07/16/24 | Adasiewicz   | 047-023-320 | 362     | Harvard Ave, Princeton | 3,500   | CCR/DR |
| 3260          | ADU   | 07/26/24 | Pasternak    | 047-286-010 | 330     | Santa Maria Ave, EG    | 5,844   | R1/S17 |

| 3262          | ADU   | 08/08/24 | O'Driscoll   | 047-121-050 | 400     | Washington Blvd, HMB   | 15,000  | R-1    |

Shaded items were previously reported.

#### SEWER HOOK-UPS

There were no new hook-ups this period.

#### **SPECIAL NOTES:**

The 2023 CalRecycle Electronic Annual Report (EAR) was filed on July 25, 2024. This report is filed by GCSD with support from Recology and the County of San Mateo Sustainability Department and summarizes the Disttrict's waste management program, number of customers, educational outreach, as well as statistics on edible food recovery in the District.

GCSD submitted information for the Coastal Resilience Infrastructure Strategic Plan (CRISP) survey at the end of July with a focus on future needed repairs to the force main in Princeton.
